# ISRAMBEYOND Takes You Back 5,000 Years.

Travelers have been journeying to Egypt and Jordan for five millennia. 5,000 years of glorious history, art, passion and magnificence.

In the travel business, to quote journalist, Anna Quindlen, "familiarity breeds content." And it was in 2019 that we marked our fourth decade of operating tours to Egypt, and the 25th year of our presence in Jordan.

How come we know these extraordinary destinations better than anyone? Because our company's birthplace is next door in Israel – a country that, if you wish, can be effortlessly combined with your Egypt or Jordan vacation.

Our intimate knowledge of Egypt and Jordan guarantees you extraordinary expertise...extraordinary luxury... extraordinary care... extraordinary private guiding...extraordinary access... extraordinary well-being.

In Egypt, our expert Egyptologist guides are beyond compare. And on most Nile Cruises, we run exclusive-to-ISRAMBEYOND shore excursions just for our passengers. In Cairo, one of our many options includes a private dinner aboard a Felluca sailboat as the sun sets on the River Nile. In Jordan, enjoy a private elegant dinner in an illuminated cave by Petra or go glamping in majestic Wadi Rum. And you can even extend your trip to dreamlike Dubai.

We work with only the finest and most select hotels – ensuring you avoid large tour groups. And we include all the must-see highlights up front, including securing your visas.

At ISRAMBEYOND, we always go above... and beyond. Let us take you beyond the 21st-century to 5,000 years ago. And back again.

Due to government and international regulations, porters may not be allowed inside the customs and security areas of some airports. At the Israeli-Jordanian borders, please pack light, as luggage carts are not available.

## General Air Information

**Air Transportation:** IsramBeyond can provide air transportation in conjunction with all land tours, based on the lowest applicable airfares on all IATA and participating carriers, subject to the rules and regulations of the class, fare and service of the individual airline. Should airline schedule changes result in a necessity to alter the land arrangements, any additional expense must be borne by the passenger.

**Baggage:** Please contact your airline or refer to its website for detailed information regarding your airline's checked baggage policies. Airline policies vary and may change at any time. IsramBeyond is not responsible for any excess luggage/ weight charges levied by an airline.
