Pyramids, Petra, Petroleum...Peace.

...for five millennia, travelers have come to Egypt to see the pyramids, the glorious and mysterious constructions just outside Cairo...

...for more than two millennia, they've been admiring Jordan's astonishing Petra – "the rose red city half as old as time."

...and in the 21st-century, travelers are discovering dramatic modern wonders in the United Arab Emirates.

We at Isram are proud to show you the distant past, the magical present, and the wondrous future. We've been taking travelers to these extraordinary destinations for decades and nobody knows how to access their phenomenal treasures better.

In Egypt, we sail the Nile from Luxor to Aswan aboard some of the newest and most luxurious cruise-boats. We fly you to see the magical wonders of Abu Simbel. And in Cairo, we will have privileged access to the brilliant NEW Grand Egyptian Museum set to open last quarter of 2022.

Built by the Nabateans some 2,500 years ago, it was in 1812 that Jordan's lost city of Petra was rediscovered by a Swiss explorer beneath acres of sand. Ever since, it has enthralled travelers; its monuments have "starred" in movies; and they have inspired poetry and gasps of wonder.

In Dubai and Abu Dhabi, we fast-forward to a monumental present and future. Enriched by their vast deposits of oil, these cities on the Persian Gulf are filled with some of the most exciting architecture on the planet, a fabulous contrast with the ancient wonders of Jordan and Egypt.

And, of course, many of our IsramBeyond travelers combine these destinations with Israel - the Promised Land, the Holy Land, and the 21st-century miracle.

Traveling to the distant past or the startling future has long been an Isram specialty. Our IsramBeyond team knows these destinations intimately, offering you the finest guides, some of the world's finest hotels, and experiences guaranteed to last a lifetime.

In Arabic, we say Salaam. In Hebrew, it's Shalom. In English, we say Peace.

Sightseeing

Sequence of Tour Programs: During periods of conventions, congresses, holidays, special events and any unforeseen circumstances, the Tour Operator may have to make last-minute changes (subsequent to issuance of "final itinerary") in the sequence of the tour. Tours operating during holiday periods may have changes in hotels, sightseeing, city sequences and/or inclusions.

Major Holidays: Ramadan: Apr 2-May 1, 2022 & Mar 22-Apr 20, 2023. During this holy month, observant Muslims may not eat, drink or smoke from dawn to sunset. A 3-day festival celebrates the end of the long fast. Some shops may close on certain days during this period.

Transfers and Porterage

Transfers to/from airports, hotels, ports and border crossings are included as specified in the published itinerary, provided passengers' days of arrival and departure coincide with their published tours. Alterations to the itineraries may result in supplements for private transfer services. Due to government and international regulations, porters may not be allowed inside the customs and security areas of some airports. At the Israeli-Jordanian borders, please pack light, as luggage carts are not available.

General Air Information

Air Transportation: IsramBeyond can provide air transportation in conjunction with all land tours, based on the lowest applicable airfares on all IATA and participating carriers, subject to the rules and regulations of the class, fare and service of the individual airline. Should airline schedule changes result in a necessity to alter the land arrangements, any additional expense must be borne by the passenger.

Baggage: Please contact your airline or refer to its website for detailed information regarding your airline's checked baggage policies. Airline policies vary and may change at any time. IsramBeyond is not responsible for any excess luggage/ weight charges levied by an airline.

Baggage insurance is highly recommended, as we cannot be held responsible for lost or damaged luggage or personal items (see page 43).

Only one suitcase per person and a carry-on are permitted on all group and private car tours.

DEPOSITS

All Programs: A deposit of \$500 per person together with optional insurance (see page 43) must be received within 7 days of booking date. The balance is due not later than 60 days prior to departure. (Holiday periods and High Season, 90 days prior.) During heavily booked periods, suppliers may require additional or full payment in advance of the normal due date in order to guarantee materialization of the rooms/cabins. Cancellation and/or penalty conditions may also be revised at such time. You will be individually advised should such circumstances arise which is beyond our control.

Important: Reservations are not considered firm until deposit is received or they will be automatically cancelled. Late payments may necessitate overnight delivery of documents, an expense that must be borne by the passenger.

CREDIT CARD PAYMENTS

Deposits and final payments for all ground arrangements can be made by major credit cards (Visa, MasterCard and American Express) for all programs.

Credit card charges will not be processed without a signed authorization form and copy of the page in your passport bearing your name, date of birth, and your signature.

Passengers with Special Needs: Tour programs listed in this brochure require participants to be in stable and good physical and mental health, confident in their ability to undertake all activities on the tour chosen, in order to thoroughly enjoy the travel experience. Due to safety issues it is requested that physical disabilities of any kind be advised at time of reservation. It is understood that passengers requiring special attention or treatment will be traveling with a companion. As most tours visit areas with high temperatures during several months of the traveling season and often involve walking on unlevelled terrain, wheelchair participants or those with physical limitations would not benefit from these programs due to the special pace required to complete the activities set for each day. Our travel experts will be very helpful in determining alternative travel arrangements by Private Car suitable to your special needs. A traveling companion is always required for wheelchair passengers in private cars. Supplements for wheelchair rental applies. Guide or escort in Private car will not be able to handle the wheelchair during the tour, except with the loading and unloading into the vehicle which carries and extra fee.

On all IsramBeyond Tour programs, we reserve the right to terminate the tour of any persons who we find are disruptive to the rest of the participants or to the smooth operation of the tour.
