ISRAM ISRAEL 2024-25

For millennia, visiting the Land of Israel has been the dream of the faithful, the spiritual, the adventurous, the curious. For centuries, it meant weeks or months of hiking, riding, sailing, and overcoming extraordinary obstacles. Today, Israel is effortlessly reached aboard an overnight flight that will have you basking in the warmth of the Promised Land in just hours.

Israel has a special meaning for so many different people. Monotheism – the concept of one God – was born here. For Jews, Christians, and Muslims, it is holy. And, sadly, it has seen more than its share of challenges and despair. But Israel somehow always shines through. There is a resilience to Israelis of all faiths and beliefs. And we take endless pride in sharing our homeland with visitors.

For many years, we at Isram have been assuring our guests discover an Israel that is ultra-modern, ultra-high-tech, ultra-western, at the same time as it is a mixture of thousands of years of history, spirituality, ups, downs, and wonderment. This is the land where the Bible is also a guidebook. This is the land where Judaism was born, the land where Jesus walked and Mohammed rode. It's the land to which the Persians, the Greeks, the Romans, the Crusaders, the Ottomans, the British all came...and then went. Israel is ancient. It's historic. Yet, it's also the land where much of the wizardry inside your phone and your computer were given birth. Israel is a window into the past...and into the future.

Israel has such feast of history, archeology, stories, tragedies, successes, holiness, and contemporary wonders crammed into a land no bigger than New Jersey, that the ideal way to "get" it, is in the hands of the people who know it best. The range of tours and packages and magnificently guided experiences curated by Isram Israel is the apex of seeing, breathing, and understanding what this old-new land is all about. We've been doing it for decades. We know what's best to see...what's best to miss...where's best to sleep...where's best to eat.

At Isram Israel we also specialize in helping you discover our "neighborhood." Each of our Israel experiences can be neatly combined with the ancient wonders of Egypt, the magic of Jordan, and the 21st-century vibe of Dubai and Abu Dhabi.

Ultimately, it's all about experience and trust. And hundreds of thousands of Americans have placed their trust in our experience, and returned home in awe.

Come to Isram's Israel. Nobody knows it better.

We've updated the most "Frequently Asked Questions" and hope that much of what you've been wondering about will be covered in these 2 pages.

The tour programs referred to are our everso-popular Israel Prelude, Minuet, Overture, Rhapsody, Serenade, Symphony and Israel Plus Eilat and Petra. Our staff is at your service to assist in making your travel experience with Isram Israel, second to none.

Q: How do I know which hotel will be the most suitable for us?

A: We've made a careful selection of the topmost hotels in the country, according to price ranges. And we've even added the newest most trendiest properties to the selection. Each property is centrally located, has a welcoming lobby lounge, fine dining outlets and a swimming pool. So you can't go wrong. Let us know if you favor the more traditional old-world charm hotels

or the contemporary style hotels with that modern vibe. We'll consider your budget and help you make the perfect choice. And while you're browsing the hotel choices, take note of the special room categories included at many of these fine hotels, some with use of the exclusive Executive lounges!

Q: What is not covered in the price of these tours that will cost me extra?

A: Our tour inclusions are very clearly outlined on every program so that there is no guess work. Cutting corners and offering a list of "optional" services for an extra cost is not our thing. We believe in providing you with the best value for every dollar you spend and making sure that the most interesting sites in Israel are covered on the program you've selected. Prior to departure we will email you all the information you will need including suggested gratuities (guide, driver, hotel personnel) which are not included in the cost of your tour. Tips for included meals are covered by Isram. Rest assured that on an Isram Israel tour, you'll see and experience more than you'll ever imagine.

Q: Where can I rent a phone for Israel?

A: Many are now using their own cell phone provider's services to tap into special deals allowing them to utilize their own mobile phones abroad. Don't forget the various apps (Whatsapp, Viber, etc.) allowing you to stay connected without extra cost as long as you've arranged for international service to be available during your trip. Feel free to use the services of Global Cellular – IsraelPhones for your cellular phone rental or for the purchase of a SIM card. Go to www.gcellular.net.

Q: Where will I be met when I arrive in Israel from abroad?

A: While Ben Gurion Airport regulations keep changing as to where hosts can greet the arriving guest, at press time, almost all of our escorted tours will meet you just prior to entering Passport Control so that we can assist in the process from this point onward including luggage retrieval and escorting you to the awaiting vehicle for your transfer. Upon departure from Israel for your international flight, appreciate our special services at Ben Gurion Airport. We'll accompany you through the security and airline check-in formalities and have you enjoying the great duty free shopping in no time.

Q: Can we save and have the kids stay in the room with us?

A: Third bed (roll-a-way) or a pull-out love seat is available in all our hotels for one child to join the parents. Special rates are available for the child as third in room.

Q: How large are these Isram Israel tour groups?

A: We know that part of the enjoyment of joining any group tour is the wonderful acquaintances that are made and the sheer fun in having diverse personalities that really lend to the whole group experience. We also know that the "more the merrier" does not quite cut it when traveling extensively throughout the country. With this in mind, we've capped our group size in Israel at 28 max so that they remain intimate, comfortable and with plenty of room in the vehicle to spread out. We also provide headsets to each of the participants when the group may be over 15 passengers so that they can easily hear the guide from any distant position. We'll be happy to let you know the group size expected on your tour closer to departure. Just give us a call.

Q: Are Visas required for Israel or Jordan, Egypt and Dubai (UAE)?

A: For American or Canadian Citizens, visas are not required for Israel. Visas are required for Jordan and in most cases, Isram Israel will be responsible to secure this visa on your behalf as detailed in the description of your tour. For Egypt, visas are required and may be included in the

cost of your tour as indicated or may be obtained upon arrival (Canadians must secure visa online prior to arrival in Egypt). Dubai and Abu Dhabi (UAE) are visa-free for Americans and Canadians. For all travelers, you must be in possession of a valid passport with an expiry date not earlier than six months following the date of your return. Please be sure to hold on to your immigration stamped entry slip issued at Ben Gurion Airport as you will be required to show this upon check in at each hotel for VAT exemption. Please note, Israeli Passport holders, regardless of whether you hold a second country passport, are obliged to pay VAT at hotels and other establishments. Israelis are furthermore required to enter and exit Israel at airports and borders utilizing their Israeli Passport. Note: Israeli Passport holders, regardless of dual citizenship, cannot cross at Allenby Bridge border. Speak to our specialists for any further clarification.

Q: Do you offer Trip Insurance?

A: We do and at an affordable rate that is not regulated by age or how much your tour costs. See page 81 for full details.

Q: I have a late evening flight back. Must I check out of my room at noon?

A: Most U.S. bound travelers find that the night flights are more convenient than the day flights and domestic connections are more accessible. As such, a 12:30 A.M. or 1:00 A.M. flight departure time may be your choice. You can keep your room up till your departure to the airport (but not later than noontime), provided your flight date is the same date as the hotel check out date of the tour.

Q: Can I take your group tour but in a private car just for us?

As Absolutely! And best of all, you'll be able to take advantage of the GROUP rates at the hotels, while touring in your own private vehicle with your private guide. There are some significant advantages in this, one of which is total flexibility. You're able to change the site inclusions to suit your interests. For example, if you are an art lover and would like to visit some more of the fantastic art museums and galleries within each city, we'd be happy to do this. We only ask that you stay within the timing of the tour day and pay the required entrance fee (if any). Otherwise, the guide is always ready to enhance your experience. See page 34 for more details.

ITINERARY

Wednesday: En Route

Thursday: Tel Aviv

Welcome to Israel! Arrive Ben Gurion Airport; special meeting, assistance and transfer to your hotel in trendy Tel Aviv's Mediterranean beach. Balance of the afternoon and evening at leisure in the "city that never sleeps".

Friday: Tel Aviv

A fascinating day as we visit Machon Avalon (Avalon Institute); hear the riveting story of this pre-state underground Ammunitions Factory that functioned as a secret bullet factory making ammunition used in the struggle for Israeli independence. Under the disguise of a kibbutz above, the bullet manufacturing below was concealed from the British with the factory's openings covered by a 10-ton oven and a large washing machine camouflaging the noise of manufacturing bullets. Afterwards, continue to the 4,000-year-old port city of Jaffa. Explore the magnificently reconstructed Artists' Quarter with its galleries and boutiques. On to Tel Aviv's bustling Carmel Market and lively Nachlat Benjamin Street with its delightful craft stalls. Adjacent is Sheinkin Street, one of the most popular streets in Tel Aviv, for the trendiest boutiques, cafes and people watching—definitely the place to be on Friday afternoon! Tonight, Get Together Dinner. (B.D)

ITINERARY

Monday: En Route

Depart the U.S.A. on your flight to Israel.

Tuesday: Tel Aviv

Welcome to Israel! Arrive Ben Gurion Airport; special meeting, assistance and transfer to your hotel in trendy Tel Aviv's Mediterranean beach. Balance of the afternoon and evening at leisure in the "city that never sleeps".

Wednesday: Tel Aviv

Begin the day visiting the Palmach Museum (subject to appointment confirmation), for a virtual tour of the history of the Haganah underground organization. We'll then have a great discovery of Tel Aviv as we drive through the main streets of this city known as the "White City". Tel Aviv has been proclaimed a UNESCO World Heritage Site for its splendid Bauhaus Architecture and has the largest number of buildings in this unique style of any city in the world! Continue past the Charles Bronfman Auditorium, (Israeli Philharmonic), Habimah Theatre, the impressive Opera House and Yitzhak Rabin Square, dedicated to the late Prime Minister. We'll visit the Tel Aviv Museum of Art, Israel's largest art museum and award winner for its unique structural design. Just in front stands what became known as "Hostage Square" during the war that began following the atrocities of Oct 7, 2023. On to the vibrant Levinsky market where you can enjoy a wide array of delicacies from different areas of the world. A paradise for foodies! Then, head to charming and quaint Neve Tzedek (Tel Aviv's "Soho"), the first neighborhood constructed outside Old Jaffa; the old colorful buildings are amazing! Just down the road is the newly developed open-air pedestrian mall—the "Tachana" converted from an old railroad station. You'll have some time to stroll through shops, perhaps enjoy coffee or an ice cream in one of the many cafes, before heading back to your hotel (those wishing to spend some more time here can taxi on own to the hotel, just minutes away). ITINERARY

Sunday: En Route

Depart the U.S.A. on your flight to Israel.

Monday: Tel Aviv

Welcome to Israel! Arrive Ben Gurion Airport; special meeting, assistance and transfer to your hotel in trendy Tel Aviv's Mediterranean beach. Balance of the afternoon and evening at leisure in the "city that never sleeps".

Tuesday: Tel Aviv

Begin the day with a visit to the new ANU Museum on the campus of the Tel Aviv University. Here, you will be presented with the unique and ongoing story of the Jewish People throughout the generations, using murals, dioramas, three dimensional reconstructions, films and interactive multimedia presentations. Drive to the town of Zichron Yaacov; the magnificent gardens are dedicated to Baron Rothschild, one of Israel's great benefactors. Then, on to Atlit, the detention camp where "illegal" Jewish immigrants fleeing from Nazi persecution in Europe were incarcerated during the British Mandate. See the replica of a ship (when available for visits) illustrating the conditions that the thousands of survivors endured during their transport to Israel. Visit Ein Hod, when daylight hours permit, the only artists' village in Israel, and one of the few of its kind in the entire world. Return to Tel Aviv for overnight. (B)

Wednesday: Tel Aviv

Begin the day visiting the Palmach Museum (subject to appointment confirmation), for a virtual tour of the history of the Haganah underground organization. We'll then have a great discovery of Tel Aviv as we drive through the main streets of this city known as the "White City". Tel Aviv has been proclaimed a UNESCO World Heritage Site for its splendid Bauhaus Architecture and has the largest number of buildings in this

unique style of any city in the world! Continue past the Charles Bronfman Auditorium, (Israeli Philharmonic), Habimah Theatre, the impressive Opera House and Yitzhak Rabin Square, dedicated to the late Prime Minister. We'll visit the Tel Aviv Museum of Art, Israel's largest art museum and award winner for its unique structural design. Just in front stands what became known as "Hostage Square" during the war that began following the atrocities of Oct 7, 2023. Continue to the vibrant Levinsky market where you can enjoy a wide array of delicacies from different areas of the world. A paradise for foodies! Then, head to charming and quaint Neve Tzedek (Tel Aviv's "Soho"), the first neighborhood constructed outside Old Jaffa; the old colorful buildings are amazing! Just down the road is the newly developed open-air pedestrian mall—the "Tachana" converted from an old railroad station. You'll have some time to stroll through shops, perhaps enjoy coffee or an ice cream in one of the many cafes, before heading back to your hotel (those wishing to spend some more time here can taxi on own to the hotel, just minutes away). (B)

Thursday: Tel Aviv

Begin the day with a visit to Weizmann House, the recently restored unique and grand home of Chaim Weizmann, first President of Israel and founder of the Weizmann Institute of Science. The house is presented in a living way, as if its residents are still living on the premises. Continue to the memorial site of Khan Sha'ar Hagai where the story unfolds of the fierce battles in this area during the War of Independence. Through emotional testimonies, you meet the fighters who broke through the road to Jerusalem; see a moving presentation of the struggle endured to keep open the lifeline to Jerusalem. On to the military junction at Latrun, once the border with Jordan; visit the Tank Division Memorial. Continue

to Sarona, a former Templar settlement restored to perfection with beautifully landscaped gardens and upscale restaurants. You may wish to return in the evening when Sarona looks and feels magical. On to your hotel in Tel Aviv. (B)

Friday: Tel Aviv

A fascinating day as we visit Machon Ayalon (Ayalon Institute); hear the riveting story of this pre-state underground Ammunitions Factory that functioned as a secret bullet factory making ammunition used in the struggle for Israeli independence. Under the disguise of a kibbutz above, the bullet manufacturing below was concealed from the British with the factory's openings covered by a 10-ton oven and a large washingmachine camouflaging the noise of manufacturing bullets. Afterwards, continue to the 4,000-year-old port city of Jaffa. Explore the magnificently reconstructed Artists' Quarter with its galleries and boutiques. On to Tel Aviv's bustling Carmel Market and lively Nachlat Benjamin Street with its delightful craft stalls. Adjacent is Sheinkin Street, one of the most popular streets in Tel Aviv, for the trendiest boutiques, cafes and people watching—definitely the place to be on Friday afternoon! Tonight, Get Together Dinner. (B.D)

Saturday: Tel Aviv

Morning walking tour through the city's well known streets including Dizengoff Square. Remainder of the day at leisure to enjoy all of the delights of this Mediterranean paradise. Tel Aviv's museums and restaurants are world-class. Don't miss Tel Aviv's hip port neighborhood, with its yachts, shops and café-filled boardwalk. (B)

Sunday: Tel Aviv/Haifa

Depart Tel Aviv. Drive to the extraordinary Israeli Museum at the Yitzhak Rabin Center chronicling the life of the late Prime Minister and the development of the State of Israel. Continue to ancient Caesarea; explore the Roman and Crusader ruins including the impressive 2,000-year-old theater (still in use!) and aqueduct. Arrive in Nazareth, the sacred town where Jesus spent part of his youth; visit the Church and view Mary's Well. On to the sparkling port city of Haifa; check into your hotel atop Mt. Carmel. Evening: Enjoy Dinner and a special cultural presentation (subject to minimum 10 tour participants). (B.D)

Monday: Haifa

Begin the day with a view of the golden-domed Baha'i Shrine and visit the breathtaking "hanging gardens," – a UNESCO World Heritage site. Drive along the coast to Rosh Hanikra; descend by cable car to see the magnificent underwater grottoes. Time to enjoy some fine wines at a local winery. Then continue to the timeless Crusader city of Acre; walk through the subterranean city and bazaars that recall the colorful Middle Ages. Free evening to enjoy a stroll under the Carmel skies and the glow of this beautiful port city. (B)

Unique Bauhaus Architecture, Tel-Aviv

Tuesday: Haifa/Jerusalem

Depart Haifa en route to Safed, one of Judaism's holiest cities, where the Kabbalah was developed in the 16th-century; visit the ancient synagogues and the charming Artists' Quarter. On to Capernaum, by the Sea of Galilee, to see the fantastic ruins of the ancient synagogue dating back to the 5th-century. Ascend the strategic Golan Heights and learn about the 20th century battles that protected Israel's future. Continue for a visit to a former Syrian army bunker at Kibbutz Kfar Charuv, settled by Americans and Israelis together; view the fertile valleys below as you tour the kibbutz and enjoy a late lunch in the communal dining room. Then drive south and rise through the mountains to "golden" Jerusalem, stopping first for a blessing and a toast to our arrival in the eternal city. Overnight in Israel's capital. (B.L)

Wednesday: Jerusalem

Drive to Hadassah Medical Center to see the sublime Chagall Windows. On to Yad Vashem, Israel's national Memorial and Museum of the Holocaust, with its Children's Pavilion and Avenue of the Righteous. Then, to Mount Herzl to pay respects to Israel's founders and heroes. Pass the post-modern Supreme Court and the Knesset (Parliament) en route to the Shrine of the Book, home of the Dead Sea Scrolls. Time to walk through the Israel Museum and the Billy Rose Sculpture Garden; see the Scale Model of ancient Jerusalem. Evening: Night Tour of illuminated Jerusalem followed by a Restaurant Dinner and the "Night Spectacular" Sound & Light Show at the Citadel Museum (weather and schedule permitting). (B.D)

Thursday: Jerusalem

Drive to Mt. Zion to visit the traditional Tomb of King David and the Room of the Last Supper. Enter the Old City to the restored Jewish Quarter; walk along the Cardo, the colonnaded main street of Byzantine Jerusalem. Walk to the Western Wall, last remnant of the Second Temple. View the Dome of the Rock. Proceed

through the extraordinary Hasmonean Tunnel (tunnel schedule permitting) or tour the Herodian Mansions, a completely excavated residential quarter from 2000 years ago. Follow the Via Dolorosa to the Church of the Holy Sepulchre; stroll through the exotic bazaars with their wondrous aromas. End today with a visit to the fabulous Friends of Zion Heritage Center celebrating the Christian heroes who have contributed to the Jewish people and the State of Israel. The cutting edge technology is amazing. Or, an optional visit to Bethlehem may be arranged. A free night tonight. The shops are open late as it's the start of the Israeli weekend. Enjoy the many eateries along the outdoor Mamilla Mall, Ben Yehuda Street, or the "Tachana". (B)

Friday: Jerusalem

Descend through the Judean desert to the Dead Sea, lowest point on Planet Earth. Ascend Masada by cable car and see this last stronghold of the Zealots in their struggle against the Romans. Visit the excavations, Herod the Great's palace, synagogue and bathhouse. Then, opportunity to enjoy an "unsinkable" swim in the buoyant waters of the Dead Sea. Drive via the Qumran Caves, where the Dead Sea Scrolls were found, on your return to Jerusalem. We'll stop at the Western Wall, beautifully illuminated on this Sabbath eve before arriving to the hotel (time permitting). Tonight, enjoy the traditional Friday dinner together. (B.D)

Saturday: Jerusalem

Questions & Answers About Private Car Sightseeing on the preceding tours

Q: What are the advantages of touring by Private Car?

A: In a private car or microbus you command the complete attention of your driver/guide. Start a bit later, stay longer at a site of special interest to you, indulge yourself with a leisurely lunch! Our guides are flexible and totally interested in fulfilling your needs.

Q: Do we have the same sightseeing on a Private Car tour?

A: Yes! You'll follow the tours (with a lot of flexibility) shown on the preceding pages with your own exclusive private vehicle and guide, and also stay at the same hotels. (This gives you the advantage of our group rates at hotels!) In addition, you'll participate in the unique visits highlighted in our itinerary, often available only for groups. Therefore, on a few occasions, you will join our motorcoach passengers for the special visits at these sites.

Q: Do we join the other tour participants for special meals?

A: If you're traveling by Private Car, dining will be at the same restaurants as the motorcoach passengers. You may choose to be seated privately and not with the group. As an added convenience, passengers on the exclusive Private Car who have Friday night dinner scheduled in Tel Aviv or Jerusalem will dine at their own hotel.

Q: Is our guide always with us?

A: The Private Car guide is assigned to you for each touring day and scheduled evening activities, with the exception of: Saturday Morning Walking Tour in Tel Aviv. If your selected tour includes the above event, you will be joined with our motor coach passengers for the service; the Isram Israel Tour Host will be aware of your participation. Generally, the Private Car guide does not stay overnight at your hotel as other accommodations are usually arranged for him/her. However, do not be concerned-you'll always know where to reach him/her.

Q: Does our guide dine with us?

A: We believe that when you dine, you should do so in the company of your own family and friends, with private moments to reflect on your experiences — not to mention, your guide probably needs his "break time" as well! (He will generally join his fellow guides during these times.) Your guide's meals have all been taken care of by us.

Q: How much extra does it cost to tour by Private Car?

A: Please see the chart below, which outlines the appropriate supplements. Simply, add the per person cost to the basic package price of your selected tour.

General Information

Land & Cruise Services

Hotels: Twin – and/or Double-bedded, run-of-house rooms (unless specific room category is indicated) with private facilities. Tour Operator reserves the right to substitute hotels of similar category. Standard checkin time is 3:00pm. Standard checkout time from hotels is 11:00pm–12:00 Noon. Guests checking out later are charged a full night's rate.

Third Bed in Room: there are no "triple-size" rooms on any program listed in this brochure. A third bed (rollaway) may be added in some rooms. Prices are available upon request. We do not recommend such accommodations for adults.

Meals: As indicated on each itinerary. Lunches or Dinners at hotels are table d'hôte and limited to specific dining rooms unless otherwise indicated.

Sightseeing

By comfortable, guided cars, microbus, minibus or motorcoach. While the best available air-conditioned vehicles have been contracted for all tours, during summer seasons, certain areas in Jordan and Egypt may experience extremely high temperatures, limiting the air-conditioning capabilities of utilized vehicles. There are no refunds if such circumstance arises, which is beyond the control of the Tour Operator. Private car tours utilize a variety of late model vehicles in accordance with the standards within each destination, subject to availability.

Some tours are based on minimum group size. In the event a tour must be cancelled for lack of participation, you will be advised at least 30 days prior to departure, and in most cases, a similar program will be offered.

The "Holyland Pilgrimage" and "Tierra Santa" (on our website) and Do it Yourself Israel are not Isram Israel Exclusive Programs. They are operated by standard locally scheduled touring companies. Tours may have multiple hotel pick ups although our publication on some of these programs reflect only one hotel plan.

Please Note: During certain seasons, tours may operate with fewer passengers than what would normally constitute a "group." While many passengers consider this as a definite advantage, there are others who do prefer to travel in larger groups. We will be happy to advise you of the approximate number of passengers booked on your tour, if you contact us 30 days in advance of your departure. However, please bear in mind that often the passenger count may fluctuate up until arrival date in the destination.

Jordan: Tours in Jordan are operated by private cars, microbus or minibus with driver. Local guides are used at specified sites per itinerary. Supplements are available to add private guides. With minimum 4 passengers, sightseeing includes services of private guide without additional cost. Some select Jordan programs, already include the services of a private guide which is indicated accordingly. All Petra one-day tours by bus, including the over day Petra excursion on the "Israel Plus Eilat & Petra Tour", utilize standard, locally scheduled touring companies with English-speaking guide. Maximum number of participants is not limited.

Nile Cruises: All accommodations are standard outside cabins. Choice of decks not available. All shore excursions are included.

All cruise companies reserve the right to substitute vessels or alter itineraries without prior notice.

Sequence of Tour Programs: During periods of conventions, congresses, holidays, special events and any unforeseen circumstances, the Tour Operator may have to make last-minute changes (subsequent to issuance of "final itinerary") in the sequence of the tour. Tours operating during holiday periods may have changes in hotels, sightseeing, city sequences and/or inclusions.

Transfers and Porterage

Transfers to/from airports, hotels, ports and border crossings are included as specified in the published itinerary, provided passengers' days of arrival and departure coincide with their published tours. Alterations to the itineraries result in supplements for private transfer services. Due to government and international regulations, porters may not be allowed inside the customs and security areas of the airport. At the Israeli-Jordanian borders, please pack light, as luggage carts are not always available.

GENERAL AIR INFORMATION

Air Transportation

Tours featured do not include international air which should be booked directly with the carrier of your choice or with your travel agent. Some tours featured include domestic airfare which is clearly indicated.

Should your airline schedule change resulting in a necessity to alter the land arrangements, any additional expense must be borne by the passenger.

Baggage

Please contact your airline or refer to its website for detailed information regarding your airline's checked baggage policies. Airline policies vary and may change at any time. Isram Israel is not responsible for any excess luggage/ weight charges levied by an airline.

Baggage insurance is highly recommended, as we cannot be held responsible for lost or damaged luggage or personal items.

Only one suitcase per person is permitted on all motorcoach and private car tours.

BOOKING PROCEDURES

Deposits

All Programs: A deposit of \$500 (\$600 for Private Program) per person per country, together with optional insurance (see page 81), must be received within 7 days of booking date. The balance is due for land arrangements not later than 60 days or 95 days for Nile Cruise tours prior to departure. (Holiday periods and High Season, 95 days prior.) During heavily booked periods, suppliers may require additional or full payment in advance of the normal due date in order to guarantee materialization of the rooms/ cabins. Cancellation and/or penalty conditions may also be revised at such time. You will be individually advised should such circumstances arise which is beyond our control.

Hotels Only: A deposit of \$150 per person together with optional insurance (see page 81) must be received within 7 days of booking date. The balance is due 21 days prior to departure. For Holiday periods and High Season, deposits and final payment procedures may vary and will be advised accordingly. A \$50 per person "Land Only" fee will be assessed if reservations are for less than a 7-night stay. Travel agents may book on line, go to www.isramexpress.com.

Important: Reservations are not considered firm until deposit is received or they will be automatically cancelled.

Credit Card Payments

Deposits and final payments for all ground arrangements can be made by major credit cards (Visa, MasterCard and American Express) for all programs.

Credit card charges will not be processed without a signed authorization form and copy of the page in your passport bearing your name, date of birth, and your signature.

Change Fee: Subsequent to initial reservation, one revision will be accepted without a processing fee. Further revisions will incur a \$25 change fee per booking per country for each revision. Once final documents have been issued, a \$50 processing fee will apply per booking.

Cancellation Penalties Prior to Departure– Per Person, Per Scheduled Country

All Land Programs: \$300 Up to 60 Days \$300 59–45 Days \$500 44–16 Days \$700 15 Days or less from 50% to 100%*

*Private Car Supplement or Private Car Tours: when touring by private car, penalties are double the amount shown above from 30 days or less.

Nile Cruise Tour:

94 days or less50	%-100%

Additional penalties may apply for inter-Egypt flights, upgraded rooms/cabins & luxury cruises, or departures during peak & high seasons.

Insurance premiums are never refundable.

Tours Operated By Private Vehicle:

Your program cost is priced based on the number of passengers in your touring vehicle as per the reservation. Should any member of your party cancel their participation in the tour, the package price or car supplement price will increase for the number of remaining passengers touring in the vehicle. Purchase of insurance may not cover the additional cost incurred by each of the remaining passengers in the private vehicle. Should the remaining passengers wish to alter their program and participate instead in the group-touring program (where offered and available), additional cancellation penalty may apply for the private car and will be advised separately.

Purchase of Hotels Only

Unless otherwise advised, a 1-2 night hotel penalty (per room) may be charged for cancellation 7 days or less prior to arrival (except for Holiday periods and High Season when more restrictive conditions may apply and will be advised as communicated to Isram Israel).

All Airline Tickets if issued in conjunction with our tours in the brochure (international and domestic sectors within each country) are subject to air penalties, per individual carrier's rules and regulations which will be applied in addition to above land or cruise penalties.

We recommend the purchase of Trip Cancellation Insurance to cover Cancellation Fees.

82 | www.isram.com

Unused Services: No refunds will be made for any unused services on any guided tours. Refunds for independent "Hotels Only" arrangements will only be made for the hotel portion and will carry a \$45 processing fee in addition to any applicable cancellation charges imposed by the supplier. Such requests must be approved, documented and submitted not later than 45 days after trip returns.

Any and all refund requests for cancellation or otherwise are assessed a 3% processing fee of the amount to be refunded in addition to the penalties indicated.

Passports & Visas:

Every participant on our tours must be in possession of a passport valid for at least six months from day of return to the U.S.

A copy of your passport bearing your signature must be provided to Isram Israel when booking your tour as it is required by the hotels. See also important information under VAT.

Jordan: Please refer to visa requirements as indicated for your tour choice. No refunds are made for passengers denied entry to Jordan for lack of visa.

Please note, passengers holding both Israeli and foreign passports may only exit Israel to Jordan utilizing their Israeli Passport. Please be sure to forward us both your Israeli Passport and your secondary passport when booking tours to Jordan (American or Canadian etc.). Note that Israeli passport holders cannot cross to Jordan at the Allenby Bridge.

Egypt: Visas are required and will be issued upon arrival at Cairo Airport (our representative meets you before passport control to assist with this) for US passport holders. The cost is included in your tour unless otherwise indicated. Passengers with Canadian and other passports, please inquire.

UAE: No visas are required for US and Canadian passport holders before arrival to the UAE.

Passengers with Special Needs: Tour programs listed in this brochure require participants to be in stable and good physical and mental health, confident in their ability to undertake all activities on the tour chosen, in order to thoroughly enjoy the travel experience. Due to safety issues it is a must that physical disabilities of any kind be advised at time of reservation. It is understood that passengers requiring special attention or treatment will be traveling with a companion. As most tours visit areas with high temperatures during several months of the traveling season and often involve walking on unleveled terrain, wheelchair participants or those with physical limitations would not benefit from these programs due to the special pace required to complete the activities set for each day. Our Guide leading the group must strictly follow the schedule for the entire group and is unable to deviate from this schedule or to allow for special consideration on an individual basis. Therefore, any participants with walking difficulties must speak with our Travel experts who will be quite helpful in determining alternative travel arrangements by private car which will be more suitable for passengers with special needs. A traveling companion is always required for wheelchair passengers in private cars. Supplements for wheelchair rental applies. Guide in Private car will not be able to handle the wheelchair during the tour, except with the loading and unloading into the vehicle which carries an extra fee.

On all Isram Israel Tour programs, we reserve the right to terminate the tour of any person(s) who we find is disruptive to the rest of the participants or to the smooth operation of the tour.
